

CUBEERCRAFT®

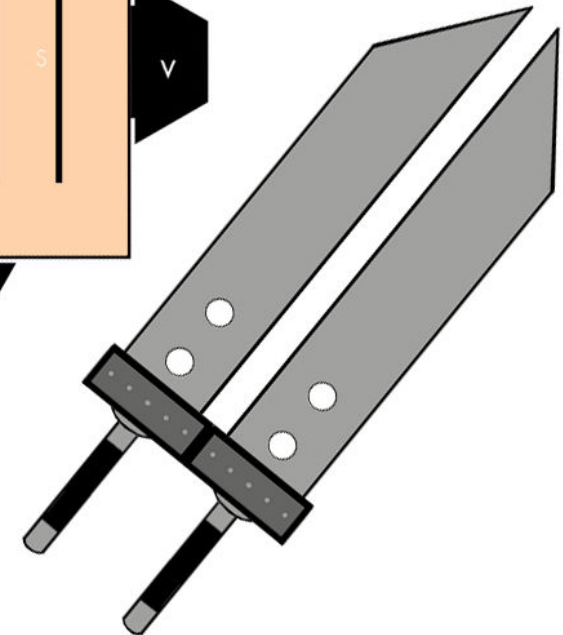

Cloud Strife
Final Fantasy
VII

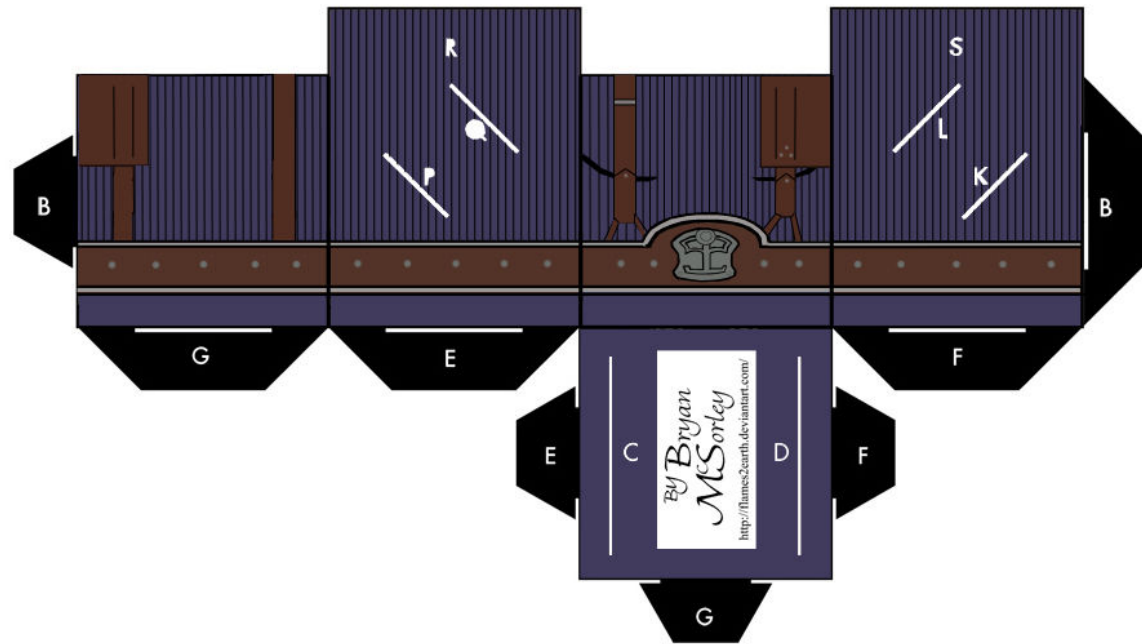

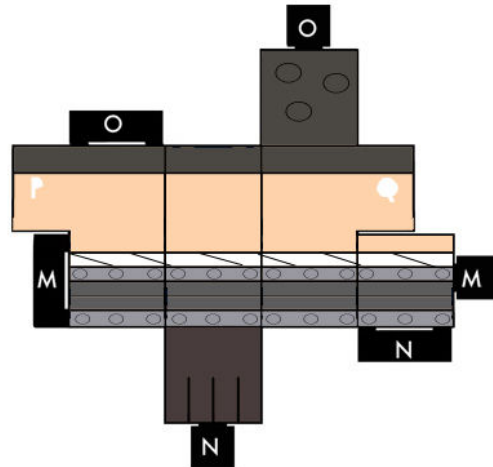

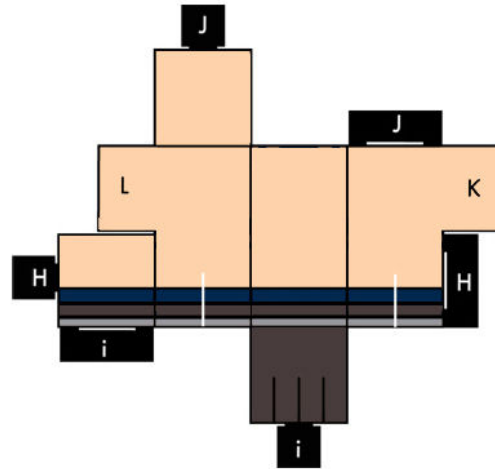

By Bryan
McSorley

<http://flames2earth.deviantart.com/>

Be careful while cutting out these three pieces.
Do not detach the swords from each other so you are able to fold them over.
The rest of the figure is on a separate template.

Carefully cut out the shapes on this page. Use a hobby knife to slit the white lines labeled with letters. Tape and glue are not necessary. Thicker paper is recommended.
