

Make the paper lantern

1. Fold the paper. Take a piece of paper and fold it in half length wise. - - - - -
2. Cut the paper. Cut along the curved edge along the dotted line. - - - - -
3. Make a tube. Take the two ends of the paper and wrap them around to make a round tube.
Use glue to stick it together. The picture shows the place of gluing. ———
4. Make the handle. Cut off another piece of paper to make a handle.
5. Attach the handle. Using glue or tape, secure the handle to the inside of the top of your lantern.
